SELLING: 50 Yearlings & 15 Fall Bulls/Coming Two's

2022 Dethlefs/Treffer Production Sale

Welcome to our Joint Production Sale!

This is our 54th Annual Production Sale! As we look back and reflect on all the changes that have taken place in the beef industry and our nation in that period of time, it is nearly unbelievable. Nothing is certain what the future holds for all of us.

The one thing that does stay the same is that a quality product will bring a premium. Now may be a good time to look at what you are producing and see if there are some changes that may help you in the future. It appears that the beef industry is desiring more quality and cattle that will have more efficient feed conversions. We are striving to reach these goals without sacrificing calving ease, maternal traits, performance and carcass merit. We feel there are several bulls in this offering that will produce in that direction.

We thank our many repeat customers for their support through the many years and hope to see many new ones to evaluate our offering this year! Please join us on March 24 where you will get more for your bull buying dollars!

Dethlefs Angus Ranch

Welcome to the Sale!

The Treffer family is privileged to offer old and new customers this set of yearling bulls. It continues to be a lifetime quest to produce genetics that you'll feel confident in adding to your herd. The bulls have had a pretty easy winter, staying high and dry. But now it's time for those nice spring rains to soak things up, with lots of mud welcome.

With Evan's help we saved the ears on nearly all of next year's offering during the nasty February cold that overlapped so well with our synchronized AI calves. We appreciate the effort he puts into the cattle. Not sure if he is the herdsman or number 1 cowboy. Regardless, he takes good care of things at Broken Bow.

We look forward to seeing you at the sale or having you bid online. Prior to the sale, the bulls can be viewed at the Darr Bull Test lot or on the DV Auction website. We would also love to provide any additional information you might need or to answer any questions that will help you find the right bull. Thanks for your interest!

Treffer Angus Ranch

Dethlefs/Treffer Bull Sale 2022

Thursday, March 24, 2022 | 1:00 pm

Burwell Livestock Market | Burwell, NE

The Burwell Livestock Market is located at 401 11th Avenue, Burwell, NE 68823

Auctioneer: Matt Lowery, Burwell, NE | (308) 750-6119

Publication Representatives:

Chris Beutler | Cattle Business Weekly (402) 380-8244

Jason Hansen | Livestock Digital (402) 649-0500

Scott McGee | Special Assignment (402) 300-2659

BUYERS UNABLE TO ATTEND THE SALE MAY SUBMIT THEIR BIDS TO THE AUCTIONEER, REPRESENTATIVES OR BID ON DVAuction.

SELLING
50 Yearling Bulls
15 Fall & Coming
Two-Year Olds

Terms and Conditions:

Cattle will sell under the Standard Terms and Conditions recommended by the American Angus Association. The terms of the sale are cash. All settlements must be made at the close of the auction. Any disputes as to bids shall be settled by the auctioneer, whose decision shall be final and shall bind purchases to the announcement of the sale and sale price.

Special care has been taken to insure the accuracy in the matter of pedigrees and information included in this catalog, but we are not to be held responsible for any error which may appear and is beyond our control. Corrections that may be discovered prior to the sale will be announced at the time of selling.

Guarantees:

All bulls selling for **over \$2500** are guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turn-out of the bulls. Please notify us at onset of injury to discuss treatment options.

Notification must be received by the breeder by September 1, 2022. Credit for the amount of purchase price minus \$2500 will be applied toward a replacement bull if one is available or applied to a purchase in next year's sale. The buyer keeps salvage value on the injured bull.

Herd Health:

All cattle were vaccinated with two doses of modified live vaccine including IBR, PI3, BRSV, BVD and Pasteurella, as well as, a Clostridial 7-Way/Haemophilus vaccination. They were poured in the fall with Ivermectin for internal and external parasites. Out-of-state buyers will be furnished with necessary health papers.

Herd Testing:

All the bulls are guaranteed free of genetic defects which include AM, NH, CA, DD or free by pedigree.

Semen Testing:

All bulls in the sale have passed a strict breeding soundness exam consisting of semen evaluation for motility, morphology, concentration and presence of WBC's. They were also checked to be free of penile warts or persistent frenulum.

SALE DAY PHONE: (308) 346-4257

Dethlefs/Treffer Bull Sale 2022

Volume Discount

Discounts will be offered at 3% for three bulls, 4% for four bulls and 5% for five or more bulls.

Free Delivery

Bulls will be delivered free of charge in Nebraska or if you haul sale day, \$50 will be deducted per bull.

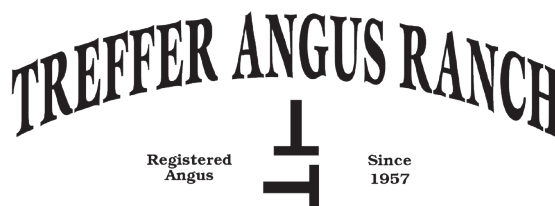

Nutrition

The yearling bulls have been housed at the bull development center of Darr Feedlots, Inc. They have been fed a high roughage diet to test their performance ability without sacrificing their soundness, longevity or future use.

Big stout bull that gained and weighed well. Ranks in the top 10% of the breed for heifer pregnancy and his calving ease EPD says he should work on heifers. Dam weaned 4 at 102.

Most of the yearling bulls have genomically enhanced EPD's which provide more accuracy and are parentage tested. The American Angus Association has implemented a program that updates EPD's weekly. We will have any updated information on our supplement sheet!

One of the younger bulls in the sale. Good growth numbers. Dam weaned 3 at 102.

The late Spring and Fall bulls have been running on pasture since weaning. They have been on a light growing ration and are not carrying extra condition. Most of them are sired by Connealy General. He was our selection at Connealy's 2017 Spring sale. He was an embryo calf sired by Greely and out of Granite's Dam. He stamps his offspring with length, good bone, wide base and more depth and natural thickness than any bull we have used. This is his last calf crop, as we have lost him due to injury this last season.
